

Betreuer-Charts 2016

Die Jahres-Top-10 der Redaktion

Wie schon im Vor- und unserem ersten Jahr in der Betreuung haben wir auch heuer wieder gerne unsere Charts für Euch zusammengetragen.

Die Betreuer geben hier die für sie „zehn wichtigsten Veröffentlichungen des Jahres“ unter den 2016 erschienenen Audio-Medien mit mindestens einigem Prog-Appeal an – ganz nach Gusto durchnummeriert oder ungewichtet. Und auch ohne gleich die große #ProgStats-Maschinerie anzuwerfen, sehen wir schnell, dass es eine eindeutige, zauberische „Gewinnerin“ gibt:

Apropos zauberhaft – liebe Leser, an dieser Stelle bedanken wir uns auch gerne für Eure stets geschätzte Aufmerksamkeit und Euer Feedback zu unserem Treiben. Bitte passt auf Euch auf und weiterhin recht frohes Proggen. Wir sehen uns!

PS: Zum nochmal hörend Revue passieren lassen kann man beispielsweise diese Playlist verwenden.
